

COLLEGE VISITATION APPROVAL

Northview Senior Academy allows each junior 1 college visit per school year and each senior 2 college visits per school year. These days are not counted as absences and will not affect the student's school attendance.

The student is responsible for his/her own transportation, which must be arranged with family means. Therefore, Northview Senior Academy cannot be held responsible in the event of an accident occurring during a college visit.

I accept full responsibility for my child's college visit and also give permission for my child to attend a college of his/her choice on the following date.
