What is the FSA ID?

- The FSA ID is a username and password used by students, parents, and borrowers to:
 - login to U.S. Department of Education websites
 - electronically sign documents
- You will use it:
 - Every year you apply for federal student aid at fafsa.gov
 - To receive a federal student loan
 - To perform important activities as a federal student loan borrower, such as choosing a repayment plan or applying for a deferment

Does my parent need an FSA ID?

- If you are a dependent student, then your parent will need an FSA ID in order to sign your FAFSA electronically
- Not sure if you're considered a dependent student for the FAFSA, go to [StudentAid.gov/dependency](https://studentaid.gov/dependency) to find out

IMPORTANT

- You and your parent must have different FSA IDs
- You must create your own FSA ID—it's your electronic signature and you need to own it
- Your parent must create his or her own FSA ID
- You and your parent should each use your own e-mail address when creating an FSA ID (you can't use/share the same e-mail address)

How do I create an FSA ID?

Getting Started

- Go to StudentAid.gov/fsaid
- Click the “Create an FSA ID Now” button

The screenshot shows the Federal Student Aid website. At the top, the logo for Federal Student Aid is displayed, along with the text "PROUD SPONSOR of the AMERICAN MIND®" and a search bar. Below the logo is a navigation menu with categories: "Prepare for College", "Types of Aid", "Who Gets Aid", "FAFSA: Applying for Aid", and "How to Repay Your Loans". The main content area features a heading "Home » FAFSA: Applying for Aid » Filling Out the FAFSA » The FSA ID" and a sub-heading "The FSA ID is your electronic passport to federal student aid online. If you're ready, you can [create an FSA ID now](#)." Below this is a section titled "Students, parents, and borrowers are required to use an FSA ID, made up of a username and password, to access certain U.S. Department of Education websites. Your FSA ID is used to confirm your identity when accessing your financial aid information and electronically signing your federal student aid documents." A prominent green button labeled "Create an FSA ID Now" is circled in red. Below the button is a list of frequently asked questions, including "What is an FSA ID?", "What happened to the Federal Student Aid PIN?", "Where can I use my FSA ID?", "When should I get an FSA ID?", "How do I get an FSA ID?", "Do parents need FSA IDs?", "Can I create an FSA ID for my child, parent, or spouse?", "Can I use my new FSA ID right away?", and "After I get an FSA ID, will I still be required to use my Federal Student Aid PIN?". On the right side, there is a "Quick Links" section with links to "Filling Out the FAFSA", "Dependency Status", and "Leave Us Feedback", and a "Glossary" section with a link to "FSA ID".

Create Your FSA ID (Username and password)

Create a New FSA ID

An FSA ID gives you access to Federal Student Aid's online systems and can serve as your legal signature.

Only create an FSA ID using your own personal information and for your own exclusive use. You are not authorized to create an FSA ID on behalf of someone else, including a family member. Misrepresentation of your identity to the federal government could result in criminal or civil penalties.

To create your own personal FSA ID, enter answers for the questions below and select CONTINUE.

Important: When you are done click the CANCEL button to clear your data, even if you did not finish creating your FSA ID. Just closing your browser window or going to another website may not be enough to prevent other people using this computer from seeing your information until the session expires.

The screenshot shows the 'Create An FSA ID' form. It includes fields for E-mail, Confirm E-mail, Username, Password, and Confirm Password. A 'Show Text' checkbox is highlighted with a red circle. To the right of the form, there are links for 'Edit My FSA ID' and 'Frequently Asked Questions'. At the bottom right, there is a green 'CONTINUE' button. The form also includes a section for age verification with two radio button options: 'I am 13 years of age or older' and 'I am 12 years of age or younger'.

You can select "Show Text" to see what you're typing

E-mail:

- Optional but **strongly** recommended
- Each FSA ID must have a **unique** e-mail address (you and your parent cannot use the same e-mail address)
- You must have access to this e-mail account

Username:

- Don't include personal info such as date of birth or name
- If you see a message "Username taken, create a different username" then someone has already used that username

Provide Personal Information

- Make sure your Social Security number, date of birth, and name match what's on your Social Security card
- You must have a Social Security number to create an FSA ID.

Personal Identification Information

To apply for an FSA ID, complete the information below and select CONTINUE.

I understand that I will be required to certify that the information that I provide to obtain an FSA ID is true and correct and that I am the individual who I claim to be. If I am not that person who I claim to be, I understand that I am not authorized to proceed and that I should exit this form now. If I provide false or misleading information, I understand that I may be fined, sent to prison for not more than five years, or both.

Link Your PIN (if you have one)

- If you applied for federal student aid before May 2015, then you most likely had a 4-digit PIN—the FSA ID replaces the PIN; you can link your PIN to your FSA ID on this screen
- If you can't remember your PIN, you can select “Forgot My PIN” and answer a challenge question or you can continue without linking your PIN
- If you didn't have a PIN, then you won't see this screen

Link Your PIN to Your FSA ID

Enter your Federal Student Aid PIN below and select **VERIFY** to link it to your FSA ID. If you do not remember your PIN, select **Help** for more details or use the **Forgot My PIN** link.

By linking your PIN to your FSA ID, you will be able to use your new FSA ID with all FSA systems immediately.

If you don't remember your PIN or the answer to your PIN challenge question, then select **CONTINUE WITHOUT PIN**. We will send your information to the Social Security Administration (SSA) for confirmation. This takes 1-3 days. You will receive an e-mail when the match is complete. You can sign and submit an original FAFSA with your new FSA ID right away. For access to most other FSA systems, you must wait for SSA confirmation.
